

Dear Friends,

Please do not allow the execution of this travesty of justice that Sinclair is trying to get away with. When a huge corporation controls the airways, we are held in a media dictatorship. We are no different than the communist nations and others who allow only the propaganda they wish to dispense to be aired. This is a vile, evil, Un-American thing this unscrupulous corporation is attempting. Please. Take a stand for what is right and as far as it is within the FCC's power, prevent this atrocity from happening. These giant conglomerations need to know that they will not be allowed to manipulate the news. Set a precedent for integrity here and now.

Thank you so much for your attention to this extremely important issue.

Best Wishes,  
Sheri Lee Miller
